Dishes on this menu are made with ingredients that do not intentionally contain gluten. However, our preparation, cooking and serving methods mean that unexpected cross-contamination may occur. Please ensure that the member of staff taking your order is aware that you are ordering from our 'No-gluten containing menu'. Before placing an order, please refer to our separate 'Menu information: allergies, intolerances and dietary preferences' sheet. Please note, a discretionary 12.5% service charge will be added to your final bill. This is shared proportionally amongst all Berwick Lodge staff.

Menu information: allergies, intolerances and dietary preferences

In a world where allergies and intolerances are becoming ever common place, we endeavour to communicate this information in a simple and accessible way, to empower you, the customer, to make an informed decision for yourself.

Our full allergen information is available on request. If you have any questions; allergies or intolerances; or require help understanding our allergen information, then please do let us know **before** ordering.

Berwick Lodge is an inclusive environment, and as such every effort is made to accommodate allergies, intolerances and preferences wherever possible – please do just ask.

Despite this, our food is prepared in a kitchen where all 14 major allergens are present. Our preparation, cooking and serving methods mean that unexpected cross-contamination may occur. Although every possible effort is made to reduce this risk, sadly we cannot guarantee that items are 100% allergen or cross-contaminate free.
