A romantic scene of a bride and groom in a lush orchard. The bride, on the left, wears a light-colored lace-trimmed gown, and the groom, on the right, wears a light grey suit. They are standing close, facing each other, with the groom's hands gently resting on the bride's waist. The orchard is filled with trees bearing ripe, orange-colored fruit, likely pomegranates or persimmons. The ground is covered in green grass and fallen leaves. The background shows more trees and a soft, natural light, suggesting a late afternoon or early morning setting. In the top left corner, there is a circular pink badge with the word 'OFFER' in white capital letters. On the far right edge, there is a vertical credit line: '© Christy Birch Photography'.
