## Allergies, intolerances and dietary preferences

In a world where allergies and intolerances are becoming ever common place, we endeavour to communicate this information in a simple and accessible way, to empower you, the customer, to make an informed decision for yourself.

Our full allergen information is available on request. If you have any questions, allergies or intolerances, or require help understanding our allergen information, then please do let us know before ordering.

Berwick Lodge is an inclusive environment, and as such every effort is made to accommodate allergies, intolerances and preferences wherever possible – please do just ask.

Despite this, our food is prepared in a kitchen where all 14 major allergens are present. Our preparation, cooking and serving methods mean that unexpected cross-contamination may occur.

Although every possible effort is made to reduce this risk, we sadly cannot guarantee that items are 100% allergen or cross-contaminate free.

### **Discretionary Service**

Please note, a discretionary 12.5% service charge will be added to your final bill. This is shared proportionally amongst all Berwick Lodge staff.
